Allen Wins 1943 Kaleid Editorship

Von Thurn, Wolff, Wilson, And Barmby Picked For 1943 Staff

OUTGOING EDITORS MAKE SELECTIONS

William G. Allen '43 will be editor-in-chief of the 1943 Kaleidoscope. This announcement, made last night by Charles L. Sanford, '42, editor-in-chief of this year's issue of the Middlebury yearbook, was supplemented by the naming of Elisabeth von Thurn '43 to be assistant editor, Lenore E. Wolff '43 as associate editor, and Stephen G. Wilson '43 to fill the post of managing editor. John G. Barmby '43 was selected to be the business manager of the publication.

Sanford, in making public the results of the Kaleidoscope elections, expressed his intention to follow the customary procedure of remaining on the executive staff in an advisory capacity.

Editor-elect Allen will take over all the administrative duties that Sanford relinquishes as outgoing editor. He will assume general executive control over the publication. This type of work should not be altogether new to Allen who is an assistant editor on the staff of the CAMPUS. He is also a Dean's list man.

Miss von Thurn steps in as the first person to occupy the new office of assistant editor which was created earlier in the year, when some changes were made in the constitution of the organization. In addition to her editorial duties, she will be in charge of breaking in next year's women's tryouts for the staff.

In the position of associate editor, Miss Wolff will replace Viola M. Guthrie '42 who was in charge of much of the photography and art work, in addition to shouldering the responsibility connected with the picture schedules.

Wilson will fill the vacancy created when Franklin R. Swenson '42 left the staff. His job as managing editor will include among other work, the charge and instruction of editorial tryouts.

Mary L. Eimer '42 steps aside from the business managership of this year's Kaleid, to make way for Barmby, who will tackle the problems of advertising, bookkeeping, and circulation.

The personnel of the yearbook staff for the coming year was selected by the present officers from a slate of fourteen editorial tryouts and eleven candidates for the position of business manager. After prolonged discussions, during which the staff could not come to unanimous agreements, the five appointments were determined by the results of secret balloting.

David Emmons '42 Heads New Council

David W. Emmons '42 was elected president of next year's interfraternity council at a meeting held Monday night. Harry Rossi '43 was elected secretary-treasurer, taking the place of Emmons.

Emmons, a member of Sigma Phi Epsilon, is treasurer of the Undergraduate association, a member of the President's council, Men's Assembly, Skyline, and has been active in athletics—basketball and baseball especially. He takes the place of John M. Nugent '41, retiring president. Rossi is a member of Kappa Delta Rho and is assistant business manager of the CAMPUS. He played freshman football and has been in interfraternity athletics.

Also announced at this time were the new members of the Council, selected from this year's sophmore class by each fraternity. They are: Delta Upsilon, John A. Young; Chi Psi, William F. Ericson; Delta Kappa Epsilon, Edward E. Shea; Alpha Sigma Phi, Gordon Graham; Beta Kappa, James G. Clark; Kappa Delta Rho, Harry Rossi; Sigma Phi Epsilon, William R. Engesser; and Sigma Alpha, George W. Nitchie.

Prom Queen and Co-chairmen Of Junior Week

Maestro Long Makes Hit At Junior Prom

By Lois Groben '43

What is the first thing we think of when we think of a dance? The place? No. Time ? No—not even a date has the first consideration! Music is the all important factor, because that is what makes the dance.

Any of the one hundred and twenty-five couples that attended the Junior Prom last Friday night from nine until two at McCullough will testify that Johnny Long and his band did a smooth job of making the Prom a huge success. We all knew he was good, but we didn't know that he was wonderful.

He pulled titles of all the favorites from his bag of surprises and presented them in the most danceable style we have heard since Glenn Miller was here two years ago. Helen Young and Bob Houston, the two soloists, plus Johnny Long's singin' band did much to add to the enjoyment of the evening's entertainment.

Our neighboring country, South America loaned us several of its institutions for the evening to be used as decorations. Palm trees, macaws (colorful birds with big floppy wings—look it up in the dictionary), painted gourds and gorgeous flowers created the South Am-

(Continued on Page 6)

Singers Chosen For Choir After Recent Auditions

Mr. H. Ward Bedford, director of the college choir, announced today the new members of the 1941-1942 choir.

The new tenors are Allan H. Kelley '44, Emory P. Mersereau '44, and William D. Neale '44. Robert W. Kellogg '43; Henry L. Cady '44, David S. Cassedy '44, Robert E. Reuman '44, and Hugh M. Taft '44 are the new basses. Chosen to join the soprano section are Janet B. Hooker '43, Virginia L. Smith '43, Barbara I. Hall '44, Georgianna Hartdegen '44, Jane A. Stearns '44, Alice Ruth Symonds '44, and Grace A. Wickenden '44. The new altos of next year's choir are Harriet Tillinghast '42, Dorothy E. Forsythe '43, Helen C. Bailey '44, Lois A. Hanchett, and Miriam E. Oaks '44.

Some of these new members will be asked to stay in college through Senior Week to take the place of choir members who will be unable to sing with the choir during the closing exercises. Tryouts for the Senior choir have been taking vocal tests during the past week.

Carlos E. Richardson '42, who succeeds Walter D. Knight '41 as manager of the choir and glee club, has recently announced that the assistant manager for next year will be Roderick J. Hemphill '43.

ALICE AUSTIN ELECTED MANAGER OF WOMEN'S 1941-42 DEBATING TEAM

Alice J. Austin '42 was elected manager of the women's debating team for 1941-1942, last Monday afternoon.

During the past year, Miss Austin has debated for Middlebury against Colby Junior college, New York State college for teachers, New Jersey State Teachers' college, Boston university and Radcliffe, on the proposition, "Resolved: That the nations of the western hemisphere should form a permanent union for defense against foreign aggression." Facing Bates college and Salem State Teachers college, she defended the question, "Resolved: That in the interests of national defense the economic powers of the federal government should be extended."

Miss Austin has recently been elected to Mortar Board and is president of Pi Beta Phi sorority.

SENIOR WEEK PROGRAM

Thursday, June 12

9:00 p. m. Senior Ball, High School gymnasium

Friday, June 13

2:00 p. m. Registration, Starr library
8:15 p. m. "Gold in the Hills," Playhouse (tentative)

Saturday, June 14

9:00 a. m. Trustees' meeting, President's office
9:30 a. m. Class Day exercises, Campus
10:30 a. m. Alumni Council, Munroe hall auditorium
11:00 a. m. Alumnae Association, Forest hall
12:30 p. m. Barbecue, Battell campus
4:00-6:00 p. m. Reception on the lawn of the President's home
6:00 p. m. Class Reunion Dinners
8:15 p. m. "Gold in the Hills", Playhouse (tentative)
9:00 p. m. Annual Alumni Informal dance, McCullough gymnasium

Sunday, June 15

9:00 a. m. Alumnae Breakfast, Forest hall
10:45 a. m. Baccalaureate service, Mead chapel
12:30 a. m. Phi Beta Kappa banquet, Middlebury inn
3:00 p. m. Sorority reunions
5:00 p. m. Twilight musicale, Mead chapel
7:30 p. m. Step Singing, Arcade of Forest hall
8:15 p. m. Informal reading, Abernethy library

Monday, June 16

10:30 a. m. Commencement exercises, Speaker, Dr. Hu Shih, Chinese ambassador to the United States, Mead chapel

Senior Week Will End Year's Social Calendar

JOHN H. HICKS '41 IS GIVEN KDR CUP

John H. Hicks '41 received the KDR cup, given to the senior who best exemplifies the ideals of Middlebury College, in chapel today.

Annually the Middlebury chapter of the Kappa Delta Rho fraternity awards a permanent trophy to the senior man most outstanding in extra-curricular activities both athletic and non-athletic, scholarship and character, and support and loyalty to Middlebury. Last year Albert Profy, president of the senior class, received the award.

Hicks is undergraduate president this year and college record holder in the 100 and 220 yard dashes. This year he won these events in all three meets he entered.

The trophy was awarded by a committee composed of Pres. Paul D. Moody; Dean John H. Patterson; Coach Arthur M. Brown, director of athletics; Prof. Ennis B. Womack, chairman of the Student Life committee Kenneth E. Cosgrove '42, Stanwood F. Johnson '42, next year's undergraduate president; A. Wilson Wood '42, and Edward H. Yeomans '42, acting in place of Theodore E. Russell '42, president of the KDR fraternity.

Three Bread Loaf Awards Presented

One Woman, Two Men To Receive Scholarships At Summer English School

The three scholarships awarded annually to Middlebury College students by the Bread Loaf School of English were won this year by Ruth L. Carpenter '41, Peter J. Stanlis '42, and Ernest D. Frawley '43, according to Prof. Harry G. Owen, dean of the school.

These awards will enable the recipients to continue their work in advanced English at this summer's session of this internationally famous graduate school. All of these students have studied there in previous years. Stanlis was the recipient of the Elinor Frost scholarship last year. No announcement has yet been made as to the 1941 disposition of this award, which was established in memory of Mrs. Robert Frost. Each year Robert Frost, famous Vermont literary figure, names a promising poet to receive this award.

The names of the Middlebury undergraduate winners were announced as part of the release of the regular list of Bread Loaf scholarships. Awards were made to graduate students from colleges all over the country. Lyle E. Glazier '33, at present an instructor of English at Bates college, was among these beneficiaries.

The 1941 session of the English school will be opened on the first of July by Mr. Frost.

Committee Plans New Women's Government

The details of the new form of government for the Women's Student Union are being perfected by the committee in charge of drafting the constitution.

There are also several proposed changes in the Women's Student Union rules. It is hoped that the following rule will be eliminated entirely on the grounds that it has been impossibe to enforce. The rule reads: Students shall not leave the immediate vicinity of the building while a dance is in progress unless permitted by a chaperone. If a student wishes to leave a dance to spend a part of the evening at another dance, she should speak to the chaperone before leaving.

An addition has been proposed for this rule: Women may receive calls from men on the aftenoon or evening of Saturdays, Sundays or holidays, and on other days after four p. m.

V. M. Wright, F. J. Hayden To Head Activities On Program

WOOD '42, WOODS '42 WILL BE MARSHALS

Plans for Senior Week, the final event of the college year, have been completed according to co-chairmen Vernon M. Wright and Fances-Jane Hayden. Starting with the Senior Ball on June 12, Senior Week will extend to the commencement exercises on June 17.

On Saturday, June 14, Class Day exercises will be held. At this time, the junior women will form the traditional daisy chain to escort the seniors. A. Wilson Wood and Margaret E. Woods have been chosen by vote of the graduating class to act as junior marshals.

Class Day Exercises

As part of the exercises, Sumner J. House '41 and Caroline Butts '41 will present the class will while the prophecy for the class will be given by John F. Hogan '41 and Elsa C. Norgaard '41. Janet L. Lang '41 has been selected to relate the history of the class. The class day oration is to be delivered by Robert L. Johnson. Following the speeches, Steven H. Arnold, president of the men's senior class, will preside at the dedication of the class tree which is to be placed in front of the Chemistry building next to the tree of the class of '39.

At one o'clock on Saturday, a barbecue is to be held on Battell campus behind Forest hall. Margery K. Barkdull, president of the women's senior class, will be among those to make short talks at this time.

It is customary to have a playhouse presentation included in the Senior Week schedule and it is probable that "Gold in the Hills" will be presented on Friday and Saturday evenings although this has not as yet been definitely decided.

Baccalaureate Service

The Baccalaureate service with an address by Pres. Paul D. Moody will take place in Mead chapel at 10:30 on Sunday morning. At 7:30 Sunday evening, the cane ceremony when the senior women are serenaded by the junior women and pass to them their canes, will be held. Original songs are composed for this occasion by the juniors while the seniors return the junior serenade with traditional melodies.

Commencement exercises in the chapel at 10:30 Monday morning complete the program of Senior Week. Dr. Hu Shih will deliver the commencement address this year.

ELINOR L. DICKIE '42 IS NEW PRESIDENT OF MORTAR BOARD

Recently tapped members of Mortar Board, national senior women's honorary society, were formally initiated last Wednesday. The initiation, held at 5:00 p. m., was followed by a banquet at the Middlebury inn at 7:15 p. m.

The following members of the present junior class were inducted into the honor group: Alice J. Austin '42, Adelaide E. Barrett '42, Hope Barton '42, Mary E. Clough '42, Elinor L. Dickie '42, Patricia L. Kane '42, and Alice Taylor '42.

The guests of honor at the banquet were Miss Eleanor S. Ross, dean of women, Miss Mary A. Williams, Mrs. Waldo H. Heinrichs and Miss Ida V. Gibson.

The junior members of Mortar Board were elected to the offices in that organization at a meeting held last Monday afternoon.

Elinor L. Dickie was chosen president and Alice J. Austin became vice-president. The treasurer is Adelaide E. Barrett; the secretary is Hope Barton. Mary E. Clough was elected chairman of the point system. Patricia L. Kane will be editor of the "Quarterly," Mortar Board publication.

The president, Miss Dickie, will be our delegate to the Triennial Mortar Board convention to be held at Buck Hill falls, Pennsylvania.

NO CAUSE FOR ALARM

One of the most important facts about the opening of Hepburn to the women is generally overlooked in any discussions of the matter. That is the fact that it is only a temporary solution to the problem.

The women who are worried over the dislocation of the women's campus, socially and geographically, will have to recognize that a "state of emergency" exists just now. Those who are thrilled over the prospect of living in a men's dormitory will find out that the novelty will wear off in time. Whatever glamour there is about Hepburn for the women will soon be overshadowed by the routine of daily life, and the enforcement of dormitory rules.

The women feel, naturally, that the substitution of Hepburn for the facilities of Hillcrest and Hillside, is a great improvement. But they, like the men, recognize the handicaps and inconveniences of a women's dormitory located on the men's campus. Like any other inovation, it upsets traditions and provokes much comment and criticism.

However, this is not as serious as it seems, for it is not a change which is being imposed on the college "for keeps." It is a temporary solution whose whole success lies in the attitude with which the women accept it. —M. E. C.

PHYSICAL EXAMINATIONS

The matter of the annual physical examination came up in a recent meeting of the Men's Assembly and a resolution was passed which recommended that the annual checkup be put on a compulsory basis and take place here in Middlebury rather than with the family physician. Not that the present examinations are not compulsory but rather because it is a case of compulsion in theory and evasion in practice, was the reason which prompted the Assembly to ask for a change. The Assembly felt that such an examination could be more thorough, more standardized and there would be no temptation to evade it for the sake of saving a two dollar fee. It was proposed that a mass physical examination at the beginning of the college year should be financed from the ten dollar health fee which is placed on the college bill.

To those opponents of such a change it should be pointed out that in recent years the evasion and forgery that is practiced under the present system has made the whole matter a personal responsibility. Those who wanted a physical checkup before returning in the fall could have one. Those who didn't merely had to turn in the medical blank, the authenticity of which was seldom questioned. As far as the health of the whole group is concerned or the certain knowledge that every man out for a sport is physically fit, the present system has many faults. If the proposal of the Assembly can be worked out without adding to the expense of the present health fee it should prove a very definite benefit and a further indication of the Assembly's ability to effectively handle the majority opinion of the men's college.

College Calendar

Wednesday
3:30 p. m. Baseball, St. Michael's, away
7:30 p. m. Spanish club meeting

Thursday
1:10 p. m. Freshman men's room drawing, Dean's office
Tennis match, UVM, Burlington

Saturday
3:30 p. m. Baseball, Norwich, away
5:00 p. m. Sigma Alpha picnic and informal dance

Tuesday
Tennis, St. Michael's, away

Thursday, May 29
Reading period begins

Saturday, May 31-Wednesday June 4
Senior comprehensives

NOTICES

Seniors: the following departments will give written comprehensives in the gymnasium at 9:00 A. M. on Saturday, May 31, and on Monday, June 2:

American Literature	Home Economics
Economics	Latin
English	Mathematics
History	Sociology

Political Science written comprehensives will be given on Saturday only. Spanish will be given on Monday only.

All students please note the following changes in the final examination schedule:

Music 42 and Music 45 will be held in the studio instead of Munroe.

G. & G. 32.2 will be held in Warner 13 instead of the gym.

Home Economics 35.2 will be held in the gym on Saturday, June 7, at 2:00 p. m.

Notice: Students who wish June grades sent to them should leave stamped, addressed envelopes with class designated, at Registrar's office.

Notice: Applications for rooms at the Chateau for next year must be handed in at the Chateau office before Thursday night, May 22. Application blanks may be secured at the Chateau office or at the office of the Dean of Women.

Notice: Paul S. Andews of Syracuse Law school will be in Middlebury on Thursday, May 22, to talk with students interested in the five year graduate school plan.

Notice: Will the student or students who removed Jack Swanson's sign from the window of his restaurant please return same if they have no further use for it after college closes in June. The sign may be left in the CAMPUS office and no questions asked.

Notice: Undergraduate women drawing of numbers will be held Thursday, May 22, in the recreation room in Forest hall. Please use the entrance near Recitation hall. Members of the class of 1942 will report at 3:45, those of the class of 1943 at 4:00, and the class of 1944 at 4:15. Drawing of rooms will be held on Tuesday and Wednesday, May 27 and 28. Details for the drawing of rooms will be posted in the dormitories and in the dean's office by Saturday noon. Floor plans of Hepburn hall will also be available.

Scholarship application blanks are available at the office of the Dean of men, and should be filled out and returned not later than May 28.

Alumni Notes

Charles J. Harvi '38, is in the sales department of Lever Bros. Co., with headquarters in Syracuse, N. Y.

Archibald C. Tilford '36, has gone to Philadelphia where he is associated with the Liberty Mutual Ins. Co.

CORRECTION

In the story published last week concerning the Masque and Shingle awards which were given to dramatic students doing outstanding work in that department during the past year, the names of Harold M. Hotaling '41, Marshall B. Cline '41, and Margaret A. Waller '41, were unintentionally omitted from among those listed as receiving both of these awards.

OPINIONS OF THE WEEK

What is your reaction to the rooming of women in Hepburn hall next year?

Personally I agree with the trustees that it's the best solution to the problem but I hope the problem doesn't last long.

The best part about it is that freshmen women will no longer have to live in professors' houses—a change which few of us can complain about.

Alice Taylor '42

I think I express the opinions of many women of Middlebury when I say that we like the idea of converting Hepburn into a women's dormitory. We are struck by the novelty of the thing as well as the service we would render the college. One objection to the matter is the fact that on wintry days the dash to Bat cot will not be too good. I would suggest the use of the kitchen and commons there. Also, having never seen the dormitory we are not really confident of its pleasing us and propose an "open house" in the near future for the prospective tenants. Room drawing is soon to come and I'm sure it will see Hepburn filled with women, especially the class of '43.

Charlotte H. Johnson '43

This is a change which will unify the smaller dormitories of the women's campus; and though the upper-classmen, particularly, regret the need to break away from tradition, it is obvious that the new plan takes care of the present problems better than any other.

Lois R. Grandy '42

Middlebury Alumni Meet During May

Dinners Held in Six Cities; Movie of Recent Events At College is Presented

From Albany to Milwaukee, Middlebury alumni and alumnae gathered May 1-10 to dine, renew college friendships, and get up to date on Middlebury affairs. Pres. Paul D. Moody, just back from his work with the Army chaplains in Washington, was unable to carry his annual message to the far-flung alumni.

The Albany dinner was held at the Hotel Wellington, with twenty-three present; Miss Ruth E. Cann '19 presided; Miss Eloise C. Barnard '33 was elected chairman for the 1942 dinner. Miss Ellen C. Wiley, of the Women's College faculty, was a guest from the college.

Prof. Harry G. Owen '23 of the English department and director of the Bread Loaf School of English, spoke on "Recent Developments at Middlebury," and a Kodachrome movie record of current events was presented with comments by Mr. E. J. Wiley '13, national secretary of the Associated Alumni. Exterior and interior views of the new buildings, Gifford and Munroe halls, alumni homecoming and commencement scenes, Winter Carnival, and the Mountain club sugaring-off party were especially featured in the pictures.

About forty alumni attended the Buffalo dinner at the Hotel Lenox. Robert L. Rice, Jr. '26 presided, and dinner arrangements were made by Miss Alice M. Bassett '38. Ivan L. Bunnell '38 played for the singing, with Walter R. Rice '26 as song leader. Judge

Freshmen Win In Annual Rope Pull

Also Sweep Steeple-Chase By Capturing First Four Places

By J. Allan Robinson '44

Junior Week or not, it was definitely Freshman Saturday, last week at Porter field and Porter pond, as Johnny Urban's spirited class of '44 overwhelmed the sophomores by sheer weight of numbers in both traditional holiday events—the rope-pull and the steeplechase.

The rope-pull itself was hardly a contest, for once the Frosh got started, chanting the old "one-nine-four-four!" as they tugged, the outnumbered sophomores were dragged right down to the water's edge. The only thing that Al Jefts' soph team could do at that point was to try to evade a ducking by easing along the edge of the pond. When this maneuver became apparent, the freshmen let go of the rope and took it into their own hands to administer the penalties of defeat. Not a dry sophomore emerged from the mucky melee which ensued. The sophs had enough fight per man, but there just weren't enough men.

Steeple-chase Tie

Similarly, in the steeplechase, the freshmen tossed seniority to the winds and put four men across the finish line before the first sophomore appeared. Freshmen Hal Parker and Dave Stebbins, not having been permitted to participate in the New England Intercollegiates that day, made up for it by sharing the first place honors in this event with a hand-in-hand finish. Tom Rooney followed them in for third place. Little Stod Johnson came in fourth after running a good race, to discover later that he had suffered a broken toe earlier in the contest. Bill Hawkes was the face-saver for the class of '43 by finishing fifth.

Difficulties Encountered

The forty entrants started out with a dash to the fifty-yard line where each two-man team had a piece of huckleberry pie to contend with, without the use of hands, before wheelbarrowing to the end of the field. There, the pairs were tied together, their shoes were put on, and the three-legged race began. They crawled through the sawdust of the jumping pits which were covered with chicken wire; they clambered over hurdles. Then they took to the swamps, which claimed many a loose shoe and sock. It was here that Parker and Stebbins took the lead, never to be headed. White flags led the harriers straight through the middle of Porter pond to the opposite shore, where partners separated and the race became individual to all but the winning duo who hopped up the field together in burlap sacks so that they could help each other over the greased wires at the east end of the field. They were a cool pair throughout the contest, combining methodical cooperation with speed and endurance.

SPANISH CLUB TO HOLD ELECTIONS TONIGHT IN YEAR'S FINAL MEETING

Spanish club elections will be held tonight at the final meeting of the year, according to Howard L. Hasbrouck '41, president.

Nominations for next year's officers are not yet complete and will be augmented by nominations from the floor.

Michael Santullano '44 will lead the entertainment with a talk on Spanish customs. Santullano, having been brought up in Spain, has knowledge of the country and of the feeings of the Spanish people that could only be obtained by living there. Due to the war conditions in Europe the Spanish film, which was to have been shown, cannot be obtained.

This year the Spanish club has donated to Starr library a year's subscription of the "Readers Digest" which is written entirely in Spanish. This copy of the periodical will be found in the browsing room.

During the past year the club has held a Spanish supper at which original Spanish dishes were served. Meetings throughout the year have featured typical Spanish entertainments.

DAVIS '42 ELECTED HEAD OF BLUE KEY

Richard C. Davis '42 has been elected to the presidency of the honorary society, the Blue Key. Scott Eakeley '43 was elected secretary-treasurer. The elections took place at a meeting of the Blue Key held Tuesday evening, May 13 in Gifford social hall.

Davis succeeds John M. Nugent '41 as president of the Blue Key. Davis was tapped for the Blue Key during his sophomore year. He has been active in athletics, earning his numerals in frosh football and letters the past two years in varsity football, three letters for golf. He is also a member of the "M" club.

Eakeley has also been active in athletics here and was one of the four sophomore members of Blue Key. The retiring officer is John W. Zydik '42.

Plans Revised For Publication Of '41 Handbook

Several changes in publication of the Middlebury College handbook are now under consideration, according to Leroy F. Hovey '41, editor of the 1940-1941 issue. Because of these plans, no one has as yet been chosen for the position this year.

The women's college is considering publication of a separate handbook; however, no definite action has been taken in regard to this matter.

Dean John H. Patterson has had offers advanced to him from several photography studios in regard to the publishing of the second half of the handbook, but it is uncertain whether the college feels it proper to enter into such negotiations.

With the text of the first half of the handbook remaining more or less static from year to year, with only a few minor changes, Dean Patterson has been considering publishing the necessary number of copies to run over for two or three years. Such a step would eliminate much unnecessary expense that is being incurred under the present system, which allows the printing of an entire new set each year.

WOMEN END TERM AT ANNUAL PICNICS

Both sorority and neutral women have been planning picnics and outings for the closing the term.

Alpha Xi Delta was the first sorority to hold a picnic. Two weeks ago the members met for supper and baseball at Chipman hill.

On Monday evening of this week Kappa Delta went swimming at Dog Team and then had a hot-dog roast and a campfire. During the same evening Phi Mu and Pi Beta Phi joined for a picnic supper and baseball at Chipman hill.

The Gold Cane, neutral organization, plans an outing at Dog Team this Saturday afternoon. Delta Delta Delta has arranged to have an overnight outing at Lake Dunmore on Saturday, and will also have a picnic at the sandpit on the following Monday night.

Sophomores Will Hold Class Picnic at Chipman Hill June 2

Second annual supper picnic of the class of '43 will be held Sunday, June 1 at Chipman hill.

Aldom H. Scott '43 and Jean E. Jordon '43, who are in charge of the committee for the supper, are planning to serve, as last year, in buffet style from wooden tables.

Baseball, softball and other games will be played, the members of the women's college contending with the men, and also residents of the various dormitories. It has been suggested that the class carry on the tradition of last year in concluding the evenng of fun by serenadng Pres. Paul D. Moody.

Faculty Passes Transfer Ruling To Aid Juniors

Students wishing to enter professional schools after their junior year, may now do so on an arrangement similar to that in effect between Middlebury and M I. T.

Announcement of this innovation was made by the President's office as follows: "On April 10, 1941, the Faculty voted, ' That a qualified student desiring to enter an acceptable professional school at the end of his junior year, be permitted to transfer, and be granted his A. B. degree on satisfactory completion of his first year in the professional school. This arrangement is to be made only for individual cases, each on its own merit, subject to the approval of the Administration Committee.' This measure was approved by the Trustees May 10, 1941.

Formerly, pre-medical, pre-law and other professional students had to spend four years at Middlebury in order to receive their A. B. degree and then had to go on and complete their technical training. As an example, in order to qualify as a lawyer, students in the men's college have to spend four years at Middlebury and two years at law school after graduating, making a total of six years study. Under the new arrangement, the law course may be finished in five years, through cooperation with a professional school.

SHELDON MUSEUM REOPENS TUESDAY

Sheldon museum opened May 20 for its sixth season since the death of its founder.

About ten special exhibits are being planned for the summer, the first to be ready about Commencement time. Students are invited by Miss Florence Allen, curator of the museum, to bring their family and friends to see this first exhibit which will consist of articles produced by the college people. Included in the exhibit will be a set of Middlebury College plates made in Staffordshire, England, books printed at the Bread Loaf print shop and other books recently published by members of the college faculty. It is also hoped that a Gamaliel Painter figure will be among the dolls dressed to show costumes of Middlebury personages of the past.

Miss Frances Warner is in charge of the Sheldon museum until the close of college when Miss Allen, will be at the museum. At a recent meeting of the museum trustees it was voted to arrange summer living quarters for the curator on the third floor of the building.

Miss Allen wishes to announce that the white picket fence recently set up in front of the museum, was made possible by a $100 gift of a "loyal friend."

Miss Allen has asked Middlebury people to help make more "fascinating exhibits" possible by lending some of their possessions. She said, "For all local co-operation in the past we are very grateful and hope more of you than ever will visit us this summer. It is knowledge of the past that affects the future. Sheldon Museum has preserved many relics to teach us of Middlebury's past."

Hepburn Hall Will Be Different Place When Women Live There Next Year

By Peter S. Jennison '44

Hepburn hall will hardly seem the same next year when the fair sex of the college take over the rather sombre halls and memory-hallowed rooms, and it will be interesting to see what happens during home-coming or some other particularly festive occasion when some old, or not-so-old, grad decides to pay a visit to his one-time room.

Gone will be the smoke-shop, scene of many a heated political or personality debate which lacked only the added atmosphere of a pot-bellied stove and a large open cracker barrel. In their place will be trivial conversations concerning Dotty's new fall outfit, or who took poor Sue to the first gym dance, all fairly dripping with innuendo.

"Quiet Hours"

Needless to say dear old Hepburn is hardly sepulchral in sound and tone now, but the other residents of the south side of the campus will be holding daily prayer meetings for the divinely inspired person who invented "quiet hours," for if there is anything that makes more noise than three chattering girls, it's a whole dorm full.

Another problem will doubtless arise in the form of privacy for those who seem to be gradually taking over the college; one has visions of high barbed-wire fences charged with electricity, hawk-eyed guards armed with tear-gas guns and window shades similar to the kind used in black-outs, making Hepburn a sanctuary in the midst of hostile lands. And if the girls think that they are in for a serene and undisturbed existence, they have another think coming, for it stands to reason that repetitions of last fall's Forest serenading expedition may very well be repeated.

Depreciation Decrease

It is quite concievable, however, that one of the reasons why the trustees decided to make the change is because there will undoubtedly be a decrease of depreciation on the building due to wear and tear, for whatever gentle brawls the women indulge in, they are not likely to be the cause of cracked door frames and non-existent window sashes. But, whatever way one feels toward the situation, how indignant, disgusted, or just plain indifferent, it's comforting, in a morbid sort of way, to just blame it on the war and let it go at that.

W. A. A.

Lois R. Grandy '42 announces that the WAA elections for the chairmen of the various WAA sports will take place at the end of this week.

The nominees for the chairmanship of the eleven sports are: hockey, Lois A. Grimm '42 and June A. Perry '42; basketball, Lenore E. Wolff '43 and Mary Bidwell '43; volleyball, S. Carol Hartman '43 and Dorothy E. Forsythe '43; badminton, Virginia E. Clemens '43 and Barbara Johnson '43; riding, Natalie F. Dane '43 and June M. Archibald '43; tennis, Frances E. Majoros '43 and Georgia R. Childs '43; golf, Marion J. Thompson '43 and Sally Lou Hovey '43; baseball, Beth M. Warner '43 and S. Carol Hartman '43; soccer, Ann A. Clark '43 and Ruth F. Taylor '42; archery, Martha C. Newton '43 and C. Ann Cole '43; skiing, Helen G. Rotch '43 and Louise C. Wilkin '43 Elections will be made by direct vote at the meeting.

Spring tournaments in tennis, golf, and archery are being played off during these last few weeks of school, while the sophomores are leading the women's classes as the undefeated baseball champions.

Carol E. Hubbard, '41, winner of the 1941 badminton tournament, is a candidate for the finals in the tennis competition. The other semi-final match has not yet been played.

Editor Sanford Presents First Copy Of Kaleidoscope To President Moody

Distribution of Year Book Follows Short Talk To Students

After a short address to the assembled student body, editor-in-chief Charles L. Sanford '42 officially inaugurated distribution of the 1942 Kaleidoscope by preesnting the first copy to Pres. Paul D. Moody at Thursday morning chapel.

According to Sanford, issuance of the volume was postponed several times due to difficulties encountered in obtaining a supply of suitable cuts. General distribution of the book was carried on throughout the remainder of the week.

Hour Glass Theme

This year's publication is developed around a definite theme which first makes its appearance on the blue and white morocco cover in the shape of an hour glass with its constantly shifting sand. Carrying this out more completely is a double-page layout contrasting two entering freshmen, baggage and all, in one globule, with several capped and gowned seniors in the other. Arrangements of this sort coupled with a running series of extracts from an imaginary diary serve to put forth the time capsule affect throughout the whole volume.

The color scheme is blue-black; blue being used as a trim against regulation black type. Following necessary introductory listing is a group of photographs of a general nature bridging the gap between the administrative and faculty groupings. Art work throughout makes use of the rough pen and ink sketch to a considerable degree.

Informal Snapshots

Heading the section devoted to classes is a drawing by Sanford preceeding photographs of class officers as they appear on Old Chapel steps. Marking the high spots of daily life are various and sundry informal views running along the bottom of each page, and closing each division is a review of the particular activities open to each class.

This year's juniors, the class of '42, are shown individually, both formally and informally.

Fraternities and sororities are next taken up. Coming under this division also is Panhellenic council and the Intrafraternity council and, again, a formal and an informal picture of each is published.

Supper and Softball Game Are High Spots of Freshman Picnic

Various games and a picnic supper constituted the program of the freshman outing, which was held on Chipman hill last Thursday, May 15.

As the members of the class drifted up from the baseball game, they found a series of obstacle races for both men and women already in progress. The last event before supper was a soft-ball game between the women and the residents of Painter hall, in which the latter team was victorious. After supper, members of teams from Gifford and Hepburn dormitories matched skills in softball until sundown, at which time the Gifford representatives were found to be in the lead. As a finishing touch to the affair, many freshman couples attended the informal dance which was held at the Middlebury inn.

CONCERT IS GIVEN BY FAMED TENOR LAST WEDNESDAY

William Hain, noted tenor, sang a five-part program as the final presentation in the college concert-lecture series Wednesday, May 14, at the Middlebury high school auditorium.

The first part of the program consisted of the "Recitative and Air (Sound an Alarm)" from Handel's "Judas Maccabaeus." This was followed by a group of four French songs, "Les Yeux" by Aubert, "Le The " by Koechlin, "La Lettre" by Aubert, and "Chanson des Barberines" by La Gourgue. The first half of the program concluded with "Donna Vorrei Morir" by Tosti, "Stornelletrice" by Respighi, "Sea Shell" by Engel, "Pleading" by Kramer, "Miranda" by Hageman, and, as an encore, "The Dream," aria from Massenet's opera, "Manon."

After the intermission, Mr. Hain sang the "Fantasia" aria from "Lakme" by Delibes, followed by "Ay Gitanos" by Eakin, "E'en as a Lovely Flower" by Bridge, "O Mistress Mine" by Quilter, and "Sea Moods" by Tyson. He was called back for four encores, "An Evensong," an aria from the first act of "La Boheme" by Puccini, "The Little French Clock," and "In the Silence of the Night" by Rachmaninoff.

For each foreign song, Mr. Hain read a free translation, because, he said, "I thought you might like to know what they're about."

MOUNTAIN CLUB DINNER

Old and New Governing Boards To Hold Banquet Tomorrow

Dan B. Armstrong '41 has announced that the Governing board of the Mountain club will hold its annual banquet at Middlebury inn this Thursday night.

Both old and new members of the Governing board will attend the dinner, to be held from five to seven-thirty. This is the last formal gathering of the group for the year.

Those who will attend are the newly elected members of the governing board: David K. Smith '42, president; Augustin A. Root '42, chairman of trails, trips and cabins; Stephen G. Wilson '43, and Elizabeth von Thurn '43, membership and equipment chairmen; S. Carol Hartman '43, commissary; Lois R. Grandy '42, recorder; Lewis E. Haines '43, publicity chairman; Vance A. Richardson '43, treasurer; Robert M. Byington '43, freshman tryout leader; Elliot A. Baines '43 and M. Elizabeth Young '43, Winter Carnival co-chairmen.

Members of the old governing board include the following who are expected to attend: Dan B. Armstrong '41, Raymond R. Unsworth '41, Ruth Hardy '41, Wilson F. Clark '42, Marvin E. Holdredge '42, Truman H. Thomas '42, Adelaide E. Barrett '42, Hope Barton '42, Nina C. Camuti '42 and Margaret A. Fell '42.

Singing Awards Go to Alpha Xi, Alpha Sigma Phi

Junior Week activities closed Sunday evening with the annual Step-singing competition and the presentation of the winners' trophies to Alpha Sigma Phi and Alpha Xi Delta by Philip W. Rifenberg '42 and Margaret E. Woods '42, co-chairmen of the weekend events.

Among the fraternities honorable mention went first to Beta Kappa and then to Delta Upsilon. Kappa Kappa Gamma was announced as winner of first honorable mention for the sororities, with Delta Delta Delta and Gold Cane also receiving honorable mention. Judges for the competition were Mrs. H. Ward Bedford, Dr. Stephen A. Freeman and Prof. Charles H. Kaiser.

Song Program

The first fraternity to present its songs was Sigma Alpha, which sang "The Red and White Fraternity" and "Go Down Moses", led by Robert W. Kellogg '43. Kappa Kappa Gamma, under the direction of Lenore E. Wolff '43, then sang "Kappa Medley" and "We Sing to Thee, Dear Kappa Gamma." Delta Kappa Epsilon under the leadership of Richard C. Davis '42 sang "Sons of DKE" and "We Love Thee Truly;" following them Delta Delta Delta sang "Inspiration Song" and "Choice" directed by Margaret E. Woods '42. "Beta Kappa Onward" and "Hoodah Day" were presented by Beta Kappa under the direction of Everrett T. Heidgerd '42.

Selections

Phi Mu's selections, "Phi Mu Castle" and "Twinkle Song" were led by Elaine George '42; following these Sigma Phi Epsilon was directed by Page S. Ufford '43 in singing "Vespers Hymn" and "Now the Day is Over." "Whistle Song" and 'Speed Thee My Arrow" were sung by Pi Beta Phi with Louise C. Wilkin '43 as leader. Alpha Sigma Phi continued the program with Walter D. Knight '41 directing the singing of "Our Brotherhood" and "John Peel." Alpha Xi Delta followed with the selections, "Above the Gold and Blue of Alpha Xi" and "Oh No John," led by E. Barbara Lown '41.

"Song of the Vagabonds" and "Beneath the Gold and Blue" were directed by Edward T. Peach '43 and presented by Delta Upsilon; following this Nancy H. Rindfusz '42 led Kappa Delta in singing "Fulfillment" and "Kappa Delta Blues." John M. Heck '43 directed Chi Psi's singing of "Chi Psi Maid" and "Ragtime Cowboy Joe."

Sigma Kappa continued with "Sing, Sister Sing" and "Here's to the Sigma Kaps," with Doris L. Wolff '41 as leader. Kappa Delta Rho was the last fraternity to sing as Lawrence D. Gagnier '43 directed "Panther Song" and "We're Gathered Here Today Boys." Gold Cane, appearing for the first time in Step-singing closed the program with "Challenge Song" and "Old Hungarian Round", led by Virginia E. Clemens '43.

While the judges were making the decisions, informal singing of college songs was joined in by the whole group present.

C. P. T. FLIGHT TESTS PASSED BY SEVEN STUDENTS AND ONE FACULTY MEMBER

Airmen Will Finish Course Tonight; Program To Be Offered Again Next Year

Flight tests have been passed in the C. P. T. aeronautics training course by the following men: Mr. Edwin F. Gillette, Robert L. Johnson '41, John Talbott '41, Vernon M. Wright '41, Roger S. Arnold '42, Charles S. Beach '42, Kenneth R. Aldich '43 and Russell P. Dale '43. Several other men are to be examined this week.

Flight Tests Passed

Ground school examinations are to be given tonight. Upon successful completion of both flight and ground school tests the student is the holder of a private pilot's license.

Indications are that the flying course program will be the same next year with a group each semester. Prof. John G. Bowker is now issuing a call for candidates.

Successful Training

C. P. T. training has met with success at Middlebury. Last year the college was awarded the New England Championship because of 100 percent completion of the course in the shortest time.

The course this year has been under the direction of Joe Rock of the Bristol airport. An addition of new equipment has extended his field of operations during this year's course.

The course has been under the leadership of Prof. John G. Bowker, Prof. Phelps N. Swett and Prof. Benjamin F. Wissler. Professor Swett has given ground instruction on meteorology. In this lecture course Professor Swett has taught the class about atmosphere, air currents, cloud and storm movements. The C. P. T. course also offers instruction in the theory of flight which is taught by Mr. Rock of Bristol.

The training course is divided into four stages, the first intended for the beginner's and the more advanced ones for the student who has passed the necessary stages.

Tennis Team Chalks Up Three Straight Victories

Colby, Vermont, St. Mikes Bow To Middlebury Tennis Men

NETMEN WIN LAST HOME ENCOUNTER

Coach Cornwall's victory-minded tennis men followed up last week's twin victory with a decisive 6-0 win over the St. Michael's net team yesterday afternoon on the Hepburn courts. Captain Jack Crawford's team-mates had previously scored a close 5-4 victory over Colby, and trimmed U. V. M. on Thursday by a 6-3 score.

The Colby contest, played on the Hepburn courts, was decided by the last match, the number three doubles encounter. With the team score tied at 4 all, Freshman Hal Melvin and Charlie Baird came from behind to take their match and gain the winning point. Their score was 3-6, 6-4, 6-4, Midd of course taking the match 5-4.

U. V. M. Downed 6-3

Middlebury struck its first blow in defense of the state intercollegiate series title by whipping Vermont 6-3 for another victory on the home courts, which are unmarred by defeat.

Captain Jack Crawford caught on to Ed Simpson, Vermont captain, after the first set, and ran through the last two to take his match 4-6, 6-1, 6-1. Ed's younger brother, Larry Simpson, gained a measure of revenge in beating Midd's number two man, Lew Haines, in three sets, 3-6, 6-3, 6-4. MacDonald and Proctor in the third and fourth singles posts, each came through with straight set wins, as did Baird, playing in number six position.

Middlebury gained two points in doubles by virtue of wins in the first two positions. Crawford and Proctor had no trouble at all in disposing of Vermont's first doubles combination 6-2, 6-1. And while Baird and Melvin were losing their three-set match, the combination of Haines and MacDonald was making up for it with a 6-4, 1-6, 6-2, victory over their opponents.

Only six matches were played in yesterday's encounter, which was the final contest of the season on the home courts. The Middmen ran through all but one of them in straight sets and were not noticeably handicapped by the fact that Captain Jack did not play.

Captain Jack Crawford

Intramurals

This spring's intramural softball campaign has been officially closed with Delta Upsilon topping the list by a victory of 13-6 over Sigma Phi Epsilon, the runner-up.

Pitching honors for the victors went to Bennett and Trask. Manning pitched the whole period for Sigma Phi Epsilon.

The eighth was undeniably the high-point for the D. U.'s. In this inning they had thirteen men at the bat and managed to clout in seven runs.

Track

Scoring three firsts, and another tie for first, the intramural track men of D. K. E. swept into No. 1 position in the interfraternity meet.

On Monday the two field events were held, with Clapper (D. K. E.) taking first in the shot put with a toss of 33 ft. 9 in.

On the same afternoon the high jump was held and Davis (D. K. E.) tied with (S. A.) at 5 ft. 5 in. for first place.

In the hurdles Tuesday, Mooney (C. P) finished ahead of Warner (K. D. R), and Crawford (D. U.) in the time of 16.5. The century dash, or better still, the dash of the century, was captured by Shea (D. K. E.) who finished ahead of Nims (K. D. R.), and Scott (C. P.) in 0:10.5 time.

Final event of the day was the half-mile relay which was annexed by the Deke team consisting of Davis, Prukop, Hubbard and Shea.

Final standings:

D. K. E.	19
C. P.	9
K. D. R.	7
S. A.	4½
B. K.	3
D. U.	2½

Midd Batters To Play Last Games Against Norwich

Saturday, May 24, Middlebury's ball squad will journey to Northfield for the last clash of the season—a doubleheader with the Norwich cadets on their home grounds. This is rather in the way of a rain check to the bleacherites for the scheduled game here at Porter field last Saturday was rained out.

According to Coach Kelly, the double contest will consist of one nine and one seven inning game—a neat total of some sixteen innings for the Middlebury club. The fact that the first game will go the full regulation nine innings rather than the customary seven in a double line-up, may possibly prove advantageous to Middlebury. What with a very slim margin of relief pitchers, in fact none of note, Coach Stuffy McInnis of Norwich may well find it necessary to keep Babe Sawyer, his ace hurler in there the better part of the whole period, and Sawyer doesn't show to advantage under a long steady strain.

On this side of the ledger there is the solid power of Co-captain Harry VanGaasbeck, George Wiemann and Hal Skinner. Van will in all probability lead off the game and in the event of danger, Coach Kelly will be able to give the nod to either Skinner or Wiemann.

Saturday's game will provide the initial opportunity for a crack at the cadets. A glance at the Norwich record book shows a pretty steady hitting power, a rather mediocre fielding staff, and some sharp work on the mound mainly centering around Sawyer.

Golf

The Panther golf team has come through another week of fairly successful golf, defeating Colby 4½ to 1½ on May 13, Union 4-2 on May 14, and losing to Norwich Monday afternoon 3½-2½.

Monday's match, played on a tricky Norwich course found Art Pepin, freshman filler-in for Dixie Davis's number two position, halving his match and winning the doubles in which he was teamed up with Duke Diefendorf. Duke also won his singles match thus giving the Middmen their 3½ points. Although Chappie, playing as usual in number one position shot a 74 and a 73 he lost his matches.

The last home match, which took place today on the country club links, found the foursome playing against the Norwich team, and the boys were out to make up for their defeat of last Monday.

The final match to be played Saturday, May 24, will once again find the team up against a country club team, this time a group from Rutland.

E.I.C.A.A. Crown Annexed By Tufts

Panther Tracksters Take Seventh Position At Eastern Meet

Seven of Midd's 1941 track team traveled to Worcester, Massachusetts last Saturday to compete in the Eastern Intercollegiates. Middlebury came in seventh, ahead of Mass. State, and behind Tufts, Connecticut, Colby, Vermont, Boston U., and Worcester Polytechnical institute in that order.

The Panthers scored ten points—twice as many as last year—but finished in the same position. Jack Bates came in second in the 220 yard low hurdles; Marty Wittlin took a second in the shot put; Jack Lundrigan, coming through with his best throw of the year (174 feet), won a second in the javelin; and Freddie Butler placed fourth in the 440.

Hicks Injures Leg

Jack Hicks, running in the 100 yard dash trials, pulled a leg muscle, and was unable to finish his heat or to compete in the rest of the meet. Lundrigan's second, ahead of two U. V. M. men who beat him last week, was the surprise performance of the meet from the Middlebury viewpoint. Bates' second to Hall of Tufts, who is one of the best intercollegiate hurdlers in the country, was also an excellent showing. Wittlin threw the shot just under 41 feet in annexing second place in that event. Butler, despite drawing an outside position at the start, finished a respectable fourth in the quarter mile.

Midd To Defend Tennis Crown In Last Encounters

Yesterday's match against the St. Michaels tennis team was the last of the season as far as the home courts are concerned, so now Captain Jack Crawford and his team-mates may set their racquets in the direction of that state title as they face their final week of competition. It appears that St. Michaels and the University of Vermont will provide the only opposition for the Middmen in the state series play. The Norwich match, scheduled for Saturday of Junior Week, was rained out.

Tomorrow will find the team at Burlington, to engage the U. V. M. Catamounts who are still smarting from last week's 6-3 defeat on the Hepburn courts. The Vermonters, led by Ed and Larry Simpson will still be in the running though, for five of last Thursday's nine matches were three-set duels. However Coach Cornwall's team should be strengthened by the probable return of Bob Maxwell to the line-up at the number five post.

The team will travel to Winooski on Thursday to meet St. Mikes again, and to close the books on the 1941 season.

Catamounts Win 6-3 Despite Yeomans' 4th Inning Circuit Clout

MISPLAYS LEAD TO 9-6 DEFEAT FRIDAY

Last Thursday afternoon the University of Vermont baseball team picked up where they had left off the previous Saturday and continued their onslaught on the offerings of Harry VanGaasbeck until a final decision of 6-3 had been recorded in their favor.

Once again it was the strong right arm of Clarence Akley which led the Catamounts to a step nearer the Green Mountain Conference Title.

In the very first inning the U. V. M. batsmen started to hammer the offerings of Harry VanGaasbeck when Sysko and Spasyk singled in rapid succession, and advanced to second and third on Taylor's sacrifice. Tommy Turner then made a costly miscue on a throw to first and two unearned runs trotted across the platter.

Yeomans Clouts Homer

No further scoring was made until the fourth inning when Middlebury tied the count at two all on a home run blast from the bat of Ed Yeomans which scored Bobo Sheehan ahead of him. This was Ed's first four-master of the season and did much in the way of raising the hopes of the Blue and White bleacherites.

Three more scoreless innings passed by before Sysko singled again, this time to center field. When Ed Shea let the ball go through him, Sysko continued around the base paths to score the Green's third run. Further misplays on the part of the Panthers presented Vermont with two more runs in the eighth inning and the ball game.

The final inning saw U.V.M. punch across an untainted tally when Spasyk singled, went to second on an infield out, and scored on clean-up hitter Doherty's single.

Middlebury rallied faintly in the last half of the ninth when Tommy Cruess, batting for Hawes, drew a pass. He advanced to second on a passed ball and brought home the final Middlebury tally on Tommy Turner's timely hit.

Throughout the entire nine innings, play was spoiled by continued misplays on the part of both teams, with Middlebury unfortunately leading in this department. It was these very same errors which cost the Panthers the ball game

Springfield Game

Last Friday afternoon on Porter field a large Junior Week crowd saw the Panther nine go down to defeat before a wide awake Springfield college squad to the tune of 9 to 6. Middlebury was able to collect its six hits when required, but the home team could not come up to the snappy playing of the Massachusetts boys, with their ten safties, even though the visiting school took advantage of the many free passes handed to them.

Middlebury jumped to a two run lead in the first inning when Shea walked to be brought home by Sheehan's triple. Then big Ed Yeomens knocked out a sacrifice fly bringing in Sheehan to tally. However Springfield scored one run in each of the first, second, third, and fifth frames to take a two run lead.

Middlebury's artillery made its best showing in the sixth inning when VanGaasbeck walked, after which Prukop sent him down to the keystone sack with an infield grounder. Shea was issued a free pass, and Bob Sheehan again came through, this time with a single, thus scoring Van. On a fielder's choice, Yeomans advanced Shea and Sheehan to third and second respectively, and then they scored on Sammy Bertuzzi's sharp single. Arnold scored Midd's last run in the seventh inning.

Springfield also scored three tallies in the sixth rame. Frederick tripled to be brought home by Sheldon who singled and rounded to the third sack on two errors. Broadhead singled, driving in Sheldon, and he too scored a run when Wydlo singled after Dick Day had issued two free passes. The future phys ed instructors also tallied twice in the eighth

MIKE TALK By HALLIGAN

Junior Week has come and gone, and to speak honestly we remember little of it—speaking athletically (ahem). We do recall a bit of historic repetition which occurred on Thursday afternoon when the Catamounts of the University of Vermont once again defeated Middlebury's baseball team.

Proceedings started off in a similar manner to the previous meeting at Centennial Field—with the Vermont hitters teeing off the offerings of Harry VanGaasbeck in a very undignified manner in the very first inning. But fortunately some changes were made which made this contest much more enjoyable than its predecessor.

Without doubt the most enjoyable moment for the Blue and White followers came in the fourth inning when Eddie Yeomans tied the score with a home run which went beyond the reach of the left fielder, of all things, pushing Bobo Sheehan across the plate in front of him. For a moment it looked as if Ed would need some assistance coming down the third base line, but he chugged along and completed his inside-the-park circuit.

Yes, this was nice—but from then on the infield play weakened, and no fewer than six errors were chalked up against the Panthers. Things wouldn't have been so bad if these misplays hadn't had such a serious effect upon the scoring—

Process was repeated the following afternoon when the team lost to Springfield—but the boys went one better by chalking up seven delightful miscues—delightful, that is, to the Springfield players.

We must admit that little else than wishful thinking has been said about the baseball team, but hope none will be disappointed by this. Honest fellers, it's very discouraging trying to write up Middlebury's athletic contests—one soon lapses either into the pessimistic vein, or goes a trifle stir-crazy trying to rewrite the game "so things don't look too bad".

This is no condemnation of the teams, but we feel that we should explain why little or nothing had been said about the baseball team other than the usual reviews of the games However we will continue to go on rooting and hoping, and will be right there when the boys come through with a well-earned victory.

Last weekend we did manage to take a glimpse into the past when we obtained a copy of the 1917 Kaleidoscope. While it was interesting to find the youthful records of several parents of present Middleburyites, it was only natural that we turn to the athletic records of the past.

First and foremost we wish to announce to one and all of the younger generation that this business of "the good old days" is not too good. When we turned to the section devoted to track we couldn't help but wonder just what the trouble was in the good old days.

During the 1915 season the best time turned in for the 100 yard dash was 0:10.6; for the 220—0:23.6; but one of the greatest contrasts of all lay in the middle distance events—the 440 and the 880. Best time for the former was 0:53.2, while a snappy 0:57.8 was turned in during the interclass meet.

We received a flyer in the mail today concerning a Remote Control golf tournament which will be played on June 14 by approximately 25,000 contestants playing at almost 1,000 golf courses of their own selection. The tournament is sponsored by a Philadelphia insurance company and as far as we can make out the entire set-up is also remote, since the flyer contains in the main brief interesting notes on golfing statistics.

In fact the more we think of the little message, the more confusing it seems—howsoever it did tell of a snappy 27 which one R. H. Corbett whipped off during the semi-final round of the Tangye Cup play at Mullim (Eng.)

Quite a feat we calls it, and quite a contrast to the 168 score made for 18 holes by a conscientious competitor in the Remote Control national handicap event of last year. If there are any of the Middlebury divoteers who are interested we would be very willing to submit the flyer to their approval.

Annual Chateau Banquet To Be Held June Fourth

The annual Chateau banquet will be held June 4 in the Chateau dining room, according to Mlle. Binand, the house director.

Following tradition, Dr. and Mrs. Stephen A. Freeman the French faculty and students living in the Chateau will be the exclusive guests at the formal banquet. Members of the faculty and a representative of each class will each speak briefly, and a special prize will then be awarded to the girl living in the Chateau who has shown the greatest improvement and best effort in her daily conversational use of French during the past year. Books will be awarded as first and second prizes, as is the custom in France, and honorable mention will be made of others deserving recognition.

ALUMNI BANQUETS HELD IN SIX CITIES

(Continued from Page 2)

Thomas H. Noonan '91 and Dr. Calvert K. Mellon, honorary degree recipient, were among the speakers. Officers elected for the coming year were Leighton T. Wade '22, president, and Miss Alice Fales '28, secretary.

At Utica a dinner was held at the Elk's club, with twenty-eight in attendance. The Rev. J. M. Bishop '22, presided while Federal Judge Frederick H. Bryant '00 spoke, and William O. Morris '35 presented baritone solos. Mr. and Mrs. Gray Taylor '32, were elected co-chairmen for the 1942 dinner.

The Rochester dinner, attended by twenty-five, was held at the University club. Arnold B. Swift '22, presided; Mrs. Ronald Allen played for the singing. Officers elected for the coming year were Paul C. Reed '29, president; Howard C. Seymour '27, vice-president; and Rena C. Dumas '22, secretary.

The Milwaukee dinner was held at the Plankinton house, with Dean Harris H. Holt '05 presiding. Thirty-two alumni were present. Mrs. A. P. Papke '26 and Ervin F. Gollnick '25 played for the singing, with Stone C. Hollquist '25 and Fred W. Schuller '25 as additional members of the orchestra. Arrangements were in charge of Ervin R. Gollnick '25, and officers for the coming year were Marshall M. Klevenow '25, president; E. Heath Towne '17, vice-president and Erwin E. Drost '24, secretary. Stewart C. Wright '29 of Minneapolis received the prize for travelling the longest distance to attend the dinner.

Mrs. Alice T. Belden '19 presided over the Akron alumni dinner, held at the Fairlawn Country club. An Italian dinner was served as a special feature. Mrs. Dorothy N. Brailey '19 played for the singing. Robert S. Phlueger '26 was elected president for the coming year, and Charles H. Wright '16, secretary.

Virginie Witte Crowned Queen of Junior Prom

(Continued from Page 1)

erican atmosphere, while two silhouettes of dancing couples, probably doing the Conga, added a touch of reality. The stage was made into a refuge where tired feet could rest and refreshments were served.

Just before the intermission, Johnny Long announced that Miss Virginie W. Witte would be crowned queen of the Junior Prom. All the dancers gathered around to watch her walk escorted by Philip W. Rifenberg to where Janet L. Lang, last year's queen, was standing at the top of the stairs leading to the stage. Miss Lang took off the crown and placed it on Miss Witte's head. Then the queen and Rifenberg led the dancing while the orchestra played "The Beautiful Blue Danube Waltz."

STUDENT OPINION VARIES AS TO NEW HEPBURN CHANGE

(Continued from page 2)

I'm sorry to see the women housed in Hepburn even though I envy those who will pass those now forbidden portals. It represents an encroachment on the men's college and a blow to its ego. It will be a disuniting factor in the women's college both socially, with the addition of a fourth dining hall, and geographically. But the worst is the impression it is likely to give both to alumni and prospective students that Middlebury is turning into a purely women's school. Lois D. Dale '41

We of the first floor of Hillcrest are more than interested in transferring our residence to Hepburn hall. We hear that the rooms are excellent, especially those on the second floor, with the comparatively new furniture. We haven't quite decided who's to take over the Smoke shop, but we have our ideas about who's to carry on Chapman's gym.

As we are a conservative group we would appreciate seeing the rooms before any decisions are made.

In general we are in favor of the whole idea just as long as it doesn't cause too much resentment on the men's campus.

Priscilla J. Bryant
Miriam V. Fleming
M. Ruth Green
Marjorie J. Jolivette
Joan A. Radcliffe
Nancy A. Read
Elizabeth A. Tracy
Barbara Wait

In my opinion the college, along with many other institutions, is faced with an emergency. Present plans indicate that 10 and maybe 20 percent of the men will not return next year thereby making it necessary to increase the enrollment in the women's college. I think that it will be only temporary and that it is necessary in order to provide suitable accommodations for the women.
John Trask '41

I think it a good idea on the whole. In the circumstances existing at this time it is necessary that the College maintain a steady income and to use all possible means to insure an income. I think it advisable to face the facts and make a few sacrifices if need be. Hepburn was obtained through a gift of an alumnus and in accepting it the college agreed to live up to any condition which might be attached, but I do not think that binding under the present emergency. The future must be taken into consideration.
Thomas H. Bennett '41

If there is no other way out I suppose it will be all right. However, I think that Hepburn, with its tradition, its years of being a men's dormitory should remain so if it is at all possible. I realize that there is an emergency and that something has to be done to meet it but I should like to see it restored to the men as soon as things are cleared up.
Anthony DeNigris '44

As long as the occupation of Hepburn by the women is only temporary, and if the college feels they can convert it successfully, I can see no reason why there should be any serious objection by the student body.
I just pity the girl on house-duty!
Gordon V. Brooks '41
